

HP GT7725 THIN CLIENT

The ultimate thin client for a superb remote computing experience

The HP gt7725 Thin Client is designed for businesses that require superior processing power and rich multimedia functionality with all the ease and familiarity of a traditional thin client.

True PC performance with Thin Client benefits

Enjoy excellent graphics support, run applications faster, improve worker productivity – all while helping ensure greater security, increased reliability, easier management and lower TCO. As with all of HP's thin clients, the HP gt7725 is easy to set up and provides a simple, appliance-like end user experience.

Superior performance

The HP gt7725 features a robust 2.3GHz dual-core processor with a generous amount of memory, providing the horsepower of a workstation client in a compact footprint. Configured with dual channel memory, data throughput is further optimized, bringing new levels of system performance in thin clients.

Rich multimedia

Bring superb 2D/3D graphics, full motion video, heavy Flash animation, and intense Web 2.0 to the remote client experience. In combination with preinstalled HP Remote Graphics Software, this specialty thin client is ideal for VDI and blade environments, supporting an impressive delivery of streaming media and USB redirection over remote connections.

Multi-display support

Efficiently multi-task with dual or quad displays¹ – standard or wide-screen – to maximize desktop space. Multi-display rotation allows for a mixture of portrait or landscape orientations across displays.

Excellent resolution

The HP gt7725 is also capable of driving ultra high resolutions for a unified desktop. With two monitors, get up to 5120x1600 (at 2560x1600 per display), or with four monitors, up to 7680x1200 or 3840x2400 (at 1920x1200 per display) resolutions.

Unleash the power of the high performance HP gt7725 today.

HP GT7725 THIN CLIENT

Local operating system	HP ThinPro GT
Client software	HP Remote Graphics Software Receiver 5.1.6 (RGS 5.2 available via snap-in) Citrix ICA 10.x, rdesktop RDP client 1.5, and TeemTalk terminal emulation software Firefox browser, Debian Package Manager, Synaptic Installer
Session brokers	HP Session Allocation Manager (SAM) Citrix XenDesktop DDC broker VMware VDM broker Leostream Desktop Connection Broker Provision Networks (Quest) Virtual Access Broker
Security features	Administrator and user passwords, remote BIOS configurability to disable ports, smart card support, secure USB compartment with 2 USB 2.0 ports, HP security lock (sold separately)
Management and deployment	HP Device Manager Agent, Altiris Deployment Solution (full client license DS 6.9 SP1), HP ThinState
Host environments	Microsoft Terminal Services, Citrix Presentation Server, Virtual Desktop Infrastructure (Microsoft and VMWare), blade PCs, blade workstations, web applications, mainframes (for terminal emulation)
Processor	AMD Turion Dual Core ³ 2.3GHz
System memory	2GB DDR2 dual channel ⁶ (128 MB reserved for video)
Flash memory	1 GB
Graphics	Dual (native): AMD RS780G integrated graphics (ATI Radeon HD 3200 Graphics) Quad: ATI Fire MV 2250 (PCI Express x16)
Audio	Internal amplified speaker, 16-bit stereo; 1/8-inch mini microphone jack
Communications	10/100/1000 Ethernet (actual speeds may vary)
I/O ports and connectors	Eight (8) USB 2.0 ports (two front, four rear, two in secure compartment), one DVI-I, one DVI-D, one parallel, one serial, two PS/2, one front headphone jack, one front microphone jack, one RJ-45 port; With PCIe ATI graphics card: DMS-59 x 2 dual DVI-I
Input devices	Standard keyboard and 2-button optical scroll mouse included (USB or PS/2)
Power/cooling	120W power supply, active cooling
Dimensions (h x w x d)	With stand: 10.5 x 1.8 x 8.47 in (266.7 x 45.7 x 215.14 mm) Without stand: 10.0 x 1.8 x 8.47 in (254.5 x 45.7 x 215.14 mm)
Weight	With stand: 3.5 lb (1.6 kg) With expansion module: 4.8 lb (2.2 kg)
Warranty and services	Limited three-year hardware warranty
Care Pack Services⁴	9x5 Next-Business-Day Advanced Exchange – 3 Years 9x5 Next-Business-Day On-Site Coverage – 3 Years
Product part numbers	NG815AA (dual); NG816AA (quad)

1 Number of displays supported varies by model. 2 Options sold separately. HP Quick Release and Integrated Work Center included with select HP flat panel monitors and sold separately as an option. 3 This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Dual/quad/triple-core processing available with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance of a system including a 64-bit operating system and a dual-core processor will vary. 4 Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Restrictions and limitations apply. For details, visit www.hp.com/go/carepack
